BarcodeMaker

BARCODING SOLUTIONS

Big Business Tools. Small Business Attitude.

Easily create high-quality barcodes for use in Microsoft Word and Excel with Wasp BarcodeMaker. Designed for users without any previous experience with barcodes, BarcodeMaker allows you to create a barcode with the click of your mouse. Simply select the text for the barcode, and click on the integrated BarcodeMaker toolbar to instantly generate a barcode. Choose from 13 linear barcode symbologies, perfect for a range of applications including office and retail use, manufacturing, shipping, and asset management.

BarcodeMaker is the ideal tool for improving business efficiency. Create barcoded shadow books or product scan sheets for easy retail checkout. Eliminate data entry errors by barcoding customer and invoice numbers. Produce a barcoded inventory list in Excel, generating thousands of barcodes by simply highlighting text and selecting your font in the BarcodeMaker Font toolbar. Easily create barcodes that update dynamically by linking to data in Microsoft Excel or Access. Changes to the original information will automatically update your barcode.

To add barcodes to Microsoft Access or Crystal Reports, simply upgrade to BarcodeMaker Pro. The Pro edition also includes 2D barcode symbologies, used to encode more extensive data.

BarcodeMaker is the affordable, easy to use solution for creating barcodes in Microsoft Word and Excel.
